

Cookbook of PEP for Driver Education

MT CURRICULUM GUIDE

M 4

Objective: Identify Advantages for Using Different Lane Positions

INGREDIENTS

DR page 184 photos of parked car with door opening into traffic; busy intersection with traffic light

Develop your own digital photo gallery

INSTRUCTIONS

Have students look at photos. Answer questions.

What are the advantages of having the car in lane position 2 before the car's door is flung open?

Photo 1

ANSWER: Room for the door without changing path of travel

What actions should a driver take to be ready for the light to change?

Photo 2

ANSWER: Cover the brake, turn head 45-degrees right to look for anything approaching from a line-of-sight restriction

MT CURRICULUM GUIDE

M 4

Objective: Practice Targeting

INGREDIENTS

Simulated Steering Wheel
Yard stick
Crosses

INSTRUCTIONS

Part 1

Give each student a simulated steering wheel.

Part 2

Give the students a direction and speed they are traveling

Watch the students' head movements

Watch the students' turning movements

Part 3

If student oversteers for the commands given, they "die".

Give that student a cross and they are out

How many live?
